

TOWN OF PEACHAM
ENERGY COMMITTEE
MEETING MINUTES

Monday March 13, 2019 at the Peacham library

Present: Tom Bryer, Mary Daly, Jock Gill, David Jacobs, Gretchen Kaija

1. Call to Order- 6:15 by Jock Gill
2. Approve minutes from February meeting.
3. No public input
4. Discussed making some additions to the working draft outline and posting with minutes. Draft outline to be complete by April meeting. Assigned draft write ups to be complete by April meeting.
5. Discussed survey results and the need for additional pointed questions to be added to another survey to be available July 4th. The new survey will be a working document until completed to the committee's satisfaction. It was suggested to do a combination of phone, online, mailing and in person surveying to get a better response.
6. The Peacham July 4th celebration would be a venue to set up a table and survey people and generally discuss what we are doing, answer questions and perhaps do an electric car demo, more appropriate would be an electric tractor for the parade.
7. Discussion of preferred sites for alternative energy and that there are none defined in Peacham by the State.
8. Jock will contact Bruce Courtot to join committee.
9. Need to go to next collaborators meeting.
10. Need to invite town to next meeting.
11. Adjourn at 7:26
