 - Searching for Peacham Energy profile of 2017
 - b. Allison Low meeting - Tom is planning on attending

7. Peacham Energy Plan Discussion:

- a. As a committee we need to agree on creating a basic plan - state of the state - what we should be doing to meet the state regulations.
- b. We should also add to our scope a grander vision to where technology is taking us. - future opportunities which can be explored
- c. Our goal is to create a plan so that we are not mandated by the state to do what is expected by them (t.b)
- d. As we move forward, specifics will need to be incorporated into Peacham Energy Plan.

8. Action Steps

- a. Jock Gill will write a vision statement for the Energy Plan
- b. Plan to have energy efficiency experts to talk to the zoning personal of the town and have listers should be knowledgeable of energy efficiency.

9. Adjourn

- a. Sterg moved to adjourn at 7:28 ; David Edwards seconded; all approved
