The budget was discussed and it was decided to wait until more members are present to make any decisions.

Discussed location of new area for cremation burials. The area would be 4'x4', and sell for \$250. One half the price of a regular lot. The lot would be for 2(Two) cremains only. All monuments would be flush with the ground. Flowers would be allowed but would have to be hanging. This area will be landscaped with shrubs or small bushes. This new area will have to be surveyed and cost will have to be submitted. (This cost is for residents only.)

On the cemetery website it will be noted that memorial donations of shrubs will be welcome.

Motion made by Dean Schoolcraft and seconded by Laura Johnson to close meeting at 7:30PM.

Respectfully Submitted by Laura Johnson.
