AGENDA

1. Elect a chair to set and run meetings, and someone to take minutes.
2. Other items to add / or changes to this Agenda.
3. Briefly, why are each of us willing to serve on this Cemetery Preservation Committee? Do we have particular interests, wishes, concerns to address? (e.g. overall operations, maintenance, aesthetics, green/natural burials, recordkeeping, other...?)
4. If we decide we hope to see changes, it will be our job to recommend the town Selectboard adopt draft revisions to the Rules or Policies – which we prepare.
Towards that rule/policy process, what questions should we be asking? What homework should we be doing?
5. What goals do we want to set?
What would success look like?
What would an action plan for each goal look like?
Shall we prioritize? Or split up the actions and each report back?
6. Calendar next meeting and adjourn.
