

TOWN OF PEACHAM
ORDINANCE

No. 84-1

Provision of Stand-By Services by Peacham
Volunteer Fire Department
After Spill of Hazardous Materials

1. The Peacham Volunteer Fire Department shall undertake to protect lives and property in the event of any incident involving the spillage or release of any hazardous material or substance until the person or agency responsible therefor commences clean-up operations. After such clean-up operations begin, the Department may provide stand-by service to the person or agency responsible for the clean-up at the following rates:
 - (a) Class A Pumper: \$200 per hour
 - (b) Tanker: \$100 per hour
2. Any monies received by the Peacham Volunteer Fire Department for the provision of stand-by service as provided above shall be used by the Fire Department as it sees fit to meet needs identified by the Department, in accordance with its Organizational Statement.
3. This Ordinance shall become effective sixty days after the date hereof.
