

NOTICE OF Monthly MEETING
Town of Peacham Planning Commission
Thurs, August 17, 2023 4:00 PM
In front of the Peacham Library

This is an in-person meeting with
Rod Francis and Brandy Saxton of PlaceSense
Consultants who are working on the Peacham Bylaw Modernization project

Join members of the Peacham Planning Commission on Thursday, August 17 for a "walk and talk" around Peacham village.

The walk will leave from the Peacham Library at 4:00PM. (In the case of inclement weather the event will be held inside at a location to be announced.)

The walk will be an opportunity to learn more about the historic built-form of the village and efforts currently underway to support housing and small business creation in the village. Come prepared for a 45-minute walk and conversation.

Hopefully it will be sunny!
