Agenda

The Peacham Planning Commission would like to hear from you!

We're updating the Peacham Zoning Regulations to conform with current state law. Consultants Brandy Saxton and Rod Francis will be available to describe the necessary changes and to answer questions.

We're also interested in knowing how zoning affects you. What changes could be made to our current regulations that would support the Peacham Town Plan that was adopted in 2017?

Everyone is welcome! This is your chance to learn about updating our bylaws, to ask questions about the process, and to let us know what's important to you. This event is free and open to all.

Join online or in person.
