I. Cost of natural burial plot (4' X 8')

Discussed and determined the costs for natural burials.

II. Can a traditional burial plot be used as credit to purchase a natural burial plot?

Traditional burial plot cannot be used as credit to purchase a natural burial plot.

III. Recording of Names of burials.

No stele, or markers will be installed. The cemetery map, maintained by the Sexton will record the names and locations of the deceased.

IV. Natural burial meadow:

Planting and spacing of trees will begin this fall.

Ron will till the natural burial area in the fall.

Natural burial locations will begin 16 feet from the tree line.

V. Budget

We're \$7500 over budget, due to a delay in tree cutting from last year. The shortfall can be addressed by adjusting maintenance practices this year.

VI. Other business

Flag markers for Veterans: Ron is researching the purchase of uniform markers for veterans which will be generic, not listing the conflict in which they served.

Meeting adjourned: 6:20 p.m.
